This is a picture of Tuare lake where a fisher  
once caught 8 tons of fish

The YOKUTS raided many settlers camps. The YOKUTS Attacked a settlement and killed and captured 30. The YOKUTS were killed by Genocide.

The settlers cattle ruined the water in the  
pool. The cattle ate most of the grass.

The yakets made rafts out of Fulare reeds.

Allens worth was made so black men and women/children  
wouldn't have to worry about racism. Black people also  
came to ~~get and education~~ get and education.

Colonel Allensworth  
was hit by a speeding  
motorcycle when he died, the  
town lost hope
